## EXPLORE, PLAN, FIND

### Your Way to a Career in Health Care

*Health care is a significant segment of Minnesota's workforce that welcomes job seekers with all types of skills and interests. If you think a health care career is not for you, think again.*

### EXPLORE HEALTH CARE CAREERS

Find in-demand health care careers in every Minnesota region. Discover wages and education requirements for careers in nine different health care pathways. See which health care careers require a license. Learn about new and emerging health care careers, where people in health care work, and consider practicing in a small town or rural area.

### PLAN YOUR EDUCATION

Learn about the skills and knowledge you need for a successful career in health care. Find health care programs and training options, including short-term training and pre-professional health care programs. You'll also find links to health care certification options. And you will find many resources to help you pay for training.

### FIND A JOB IN HEALTH CARE

Search for health care jobs and find health care salary information. Learn who the top Minnesota health care employers are.
