

# *MnCareers* Facilitator Guide

Download the free facilitator guide to use in classrooms and workshops or with clients.

The *MnCareers Facilitator Guide* offers Minnesota-specific career resources. These include related activities, lesson plans, and curricula to engage students and clients in career exploration. Activities include worksheets that teach explorers how to use the data found in *MnCareers* and other products to research career and education interests.

Each section of the guide is available as a PDF file. If you do not have the software to view PDFs, you can [download a free PDF viewer](#).

**NOTE:** The 2012 edition of *MnCareers* included a green careers supplement that changed the page numbers of the publication. The topics covered in *MnCareers* are the same as other years, however, the referring page numbers in the *Facilitator Guide* are different. Here is a [list of the new page numbers for the 2012 \*MnCareers\*](#).
