Survey Results

Create your Interest Profile based on which activities you selected.

STEP 2:
Add the columns from the previous page and record the number of filled squares for each letter.

R = Realistic Total: _____
 I = Investigative . . . Total: _____
 A = Artistic Total: _____
 S = Social. Total: _____
 E = Enterprising. . . Total: _____
 C = Conventional. . . Total: _____

STEP 3:
The three letters with the highest scores are your interest profile. Record your profile to the right.

My Interest Profile:

Read the descriptions to learn more about your profile.

Investigative people are **THINKERS**. They like to watch, learn and solve problems. They often like to work alone. They tend to be good at math or science, and like analyzing data.

Realistic people are **DOERS**. They are often good at mechanical or athletic jobs. They like to work with things like machines, tools or plants. They like to work with their hands. They are practical and good at solving problems.

Social people are **HELPERS**. They like to work with people more than with things. They enjoy training, counseling or curing people. They are often good public speakers. They have helpful, empathetic personalities.

If you chose the interactive pdf or online version of the survey you'll be able to click links to explore Career Clusters related to your profile.
