

Career Planning For People With A Criminal Conviction

October Updates

October 2019 | Issue 1

What's New on the Career Planning Website?

- [Community Resources](#) have been updated. Additional providers in the Twin Cities Metro were added to the provider list. Clinics located in Hennepin County have been added to the Healthcare services. Additional legal resources were added as well.

Don't see a resource listed on this page? Contact Joy Brown (joy.brown@minnstate.edu) to recommend an addition.

- Job seekers can now easily see which careers are in high demand when [viewing a career cluster](#). Just look for the green high demand indicator  next to any occupation title.

Top Tip for October

Did you know that you can print out individual worksheets from the workbook? Quickly find and print activities on the [Career Planning Workbook page](#).
